The major functions and responsibilities of the Academic Council:

- Scrutinize and approve the proposals of the Boards of Studies with regard to courses of study, academic regulations, curricula, syllabi and modifications thereof, instructional and evaluation arrangements, methods, procedures relevant thereto etc., provided that where the Academic Council differs on any proposal, it shall have the right to return the matter for reconsideration to the Board of Studies concerned or reject it, after giving reasons to do so.
- Recommend proposals to the Governing body for introduction of new programmes of study in the institution.
- Recommends the Governing Body on suggestion(s) pertaining to academic affairs made by it.
- Perform such other functions as may be assigned by the Governing Body.
